ASSISTANT, ASSOCIATE OR FULL PROFESSOR OF PEDIATRIC PATHOLOGY
(Medical Center Line Professoriate or Clinician Educator Line)

The Department of Pathology at Stanford University School of Medicine seeks an academically-oriented diagnostic Pediatric Pathologist at the rank of Assistant Professor, Associate Professor, or Full Professor in the Medical Center Line (MCL) Professoriate or at the rank of Clinical Assistant Professor, Clinical Associate Professor, or Clinical Full Professor in the Clinician Educator (CE) line; rank and line of the academic appointment will depend on the applicant’s experience, interests, and qualifications. The major criteria for appointment in MCL are excellence or the promise of excellence in the overall mix of clinical care, clinical teaching, and scholarly activity. The major criteria for appointment as CE is excellence in clinical care and clinical teaching. Participation in the teaching of fellows, residents and medical students is required, as is the ability to interact effectively with faculty colleagues in Stanford Medicine. The candidate’s duties can be configured to include leadership responsibilities according to his or her expertise and qualifications.

The Department of Pathology is responsible for approximately 3600 pediatric in-house surgical cases, 400 consults, 900 placentas and 700 cytology cases annually. A major expansion of Lucile Packard Children’s Hospital Stanford will open in 2017 and case volumes are projected to increase accordingly.

Candidates must be board certified in Anatomic Pathology and Pediatric Pathology or Anatomic, Clinical and Pediatric Pathology; applicants who are board eligible in Pediatric Pathology also will be considered. The successful applicant will be required to hold or obtain a current license to practice medicine in the State of California.

Applicants should submit a curriculum vitae, as well as a brief description of academic accomplishments and plans for future professional growth (in one pdf document). These, with the names of five references, should be sent to Thomas Montine, M.D., Ph.D., Professor and Chair, C/O Ms. Cynthia Llanes, Department of Pathology, Stanford University School of Medicine, Stanford, Ca 94305, E-mail: cllanes@stanford.edu

Stanford University is an equal opportunity employer and is committed to increasing the diversity of its faculty. It welcomes nominations of and applications from women, members of minority groups, protected veterans and individuals with disabilities, as well as from others who would bring additional dimensions to the university’s research, teaching and clinical missions.
