ASSISTANT, ASSOCIATE OR FULL PROFESSOR OF PATHOLOGY and DIRECTOR OF CLINICAL HEMATOLOGY LABORATORY

The Department of Pathology at Stanford University School of Medicine seeks an M.D. or M.D./Ph.D. for appointment as Assistant, Associate or Full Professor in the Medical Center Professoriate, with the faculty rank appointment depending on the applicant’s experience and qualifications. The major criterion for appointment for faculty in the MCL shall be excellence in the overall mix of clinical care, clinical teaching, scholarly activity that advances clinical medicine, and institutional service appropriate to the programmatic need the individual is expected to fulfill.

The individual will be Director of the Hematology Laboratory. Candidates must be board certified in clinical pathology, anatomic pathology or both and hematopathology and are required to hold a current license to practice medicine in the State of California. Administrative responsibilities will include overseeing the daily operations of an automated hematology laboratory. Sign-out responsibilities will include interpretation of peripheral blood smears, bone marrow biopsies and aspirates, body fluids, flow cytometry, and optionally, lymph node pathology. A record of scholarly contributions in clinical, translational or basic research is a prerequisite, since the successful candidate will be expected to establish a research program in hematology/hematopathology. Participation in the teaching of fellows, residents and medical students is required. This position requires substantial experience in diagnostic clinical hematology/hematopathology, such as would be obtained during 5 years or more of activity in the field after the completion of hematopathology training.

Applicants should submit a curriculum vitae, as well as a brief description of research accomplishments and plans for future research. These, with the names of five references, should be sent to Stephen J. Galli, M.D., Professor and Chair, C/O Ms. Cynthia Llanes, Department of Pathology, Stanford University School of Medicine, Stanford, Ca 94305, E-mail: cllanes@stanford.edu

Stanford University is an equal opportunity employer and is committed to increasing the diversity of its faculty. It welcomes nominations of and applications from women and members of minority groups, as well as others who would bring additional dimensions to the university's research, teaching and clinical missions.
